As some of you may know, last year Father Doug revived a practice of sending cards to the people in our congregation (including youth and spouses) who are celebrating a birthday or an anniversary. What? You mean you didn't get one? Well that's because we don't know when your special date is!

And while we're on the subject of cards—we have also begun the practice of praying for our congregants weekly in Prayers of the People. We all need prayer, not just when we are ill or in need, but in good times too. Your name will be added to the cycle of prayer, alphabetically and you will receive a post card when you were prayed for.

While we diligently try to keep our database up to date, it's up to you to let us know your information (kept strictly confidential of course! You don't have to give us a year if you prefer to keep that to yourself).

If you have never received a birthday or anniversary card, and wish to be acknowledged on your special day, please let Father Doug or Louise know.
